Reasoning

Trip runs 01 – 09 Aug 2026, 8 nights across Hanoi, Ha Long Bay, Da Nang and Ho Chi Minh City. Dates fall inside the sheet's validity window and outside its 15–22 Feb blackout.

Party is 2 adults and 1 child in one Double room. Hotels are 4-star, so the 4-star row applies. Two adults means the 2-pax tier: **USD 963 per person**.

Adult cost = 963 × 2 = **USD 1,926** → **AED 7,074** at today's live rate (1 USD = 3.6725 AED).

Child aged 2 matches the '1–4 yrs, sharing parents' bed' row → **USD 40 add-on, AED 147**. The '12 yrs, twin-share with an adult' clause does not apply.

Occupancy is Double, so the **single supplement does not apply**.

Total **USD 1,966 → AED 7,221**, every figure traceable to its source row.

Auto-pricing that just works, perfectly.
